

Dear Sir/Madam,

Calgary French & International School Advancement Society is proud to host the seventh annual fundraiser, **STREETS OF PARIS** on April 28, 2007, in support of Calgary French & International School (CFIS). Two hundred and ninety guests are expected to enjoy an evening featuring both live and silent auctions as well as wonderful food and entertainment. This sophisticated evening at **Belgo Brasserie** features a sit-down dinner prepared by Executive Chef, Shaun Desaulniers.

***STREETS OF PARIS 2006* was a sell-out and raised over \$87,000.**

Many of our families and staff support businesses such as yours. This fundraiser will profile your business to our guests and sponsors alike. Your donations in the form of auction items, services or cash will be showcased to over 290 potential customers, many of whom represent major businesses in Calgary. Your support will be featured in our evening program and on the school web site (www.cfis.com).

The funds raised from our event will be used to enrich our school and community programs, specifically for the purchase of computers and technology, but also including expansion of the CFIS libraries with English, French and Spanish resources.

CFIS began in 1969 as a pioneer in French Immersion education. Today CFIS prides itself in providing academic excellence in a language immersion environment while supporting personal and community enrichment in languages, the arts and athletics.

We sincerely hope you will consider joining us at the **STREETS OF PARIS** and/or contribute by way of donation to make the evening an overwhelming success. A Contribution Pledge Sheet is attached.

Please visit www.cfis.com for more information on our annual fundraiser. Alternatively, you may contact the school (240-1500 ext 333) and leave a message and a Streets of Paris representation will be in contact with you.

Yours truly,

Jeff Hilton
Streets of Paris Gala Chairperson

Contribution Pledge & Cash Donations

Completed form may be faxed to 249-5899 or returned with our volunteer
