

JUNE 2009

CHILDCARE NEWSLETTER

It's hard to believe we are nearly at the end of the school year for 2009.

Last day of part-time child care will be June 19, 2009. Full-time care is on June 26, 2009. Summer programs start up on July 2, 2009. If you have any inquires about the program, as we have many exciting things planned for the summer, please stop by my office or give me a call (403)246-4708.

The childcare on September 2 will be hosting an information night to all new and existing childcare users. It will be approximately 15 minutes, discussing the do's and don'ts of childcare regulations by the Alberta Government.

With the warm weather approaching (soon we hope!) If you could bring a water bottle with your child's name on it and leave it in their locker, your child would be happy. If you want sunscreen on your child please fill out the back form and send it in filled out with your child's name on their sunscreen bottle.

IMPORTANT CHANGE: We have had to make a change of date with the Year End Celebration for parents and children. The celebration was scheduled for June 12th- 3:30pm however, we have had to switch it to June 10th 3:30pm.

Reminder Dates: June 16th Special Lunch day for the school (Do not need to send a lunch with your child)
