We would like to say farewell to Bozena. Bozena's last day was January 5, 2007. She is perusing another path with special needs children at Renfrew. We wish her all the best in growing her knowledge in the Childcare field.

The Childcare Centre would like to give a warm welcome to Marcell who is working with the children on the older side. Right now she is level #1 but the Government is looking over the courses that she took to see if she is a Level #2. She is a great asset with her enthusiasm and great connections with the children.

With being Accredited comes grant money and we are spending some on Musical Talent with Ms. Brenda Wong and Michelle Warkentin to share and teach the staff and children about music and puppets. They will be coming once a month until the end of summer.

We also have invited a physical educator Calgary Youth Physio to share and teach the staff and children on different ways to move our bodies for a healthier self. They will also be coming once a month until the end of summer.

*Quick reminders...*

We are looking for some unused or gently used thematic **calendars** (i.e. animals, cars, people etc). If you have any to donate please bring them in at your convenience. We would like to use the pictures to refresh our rooms.
