

MARCH

2008

News from the Child Care Centre

We have many fun activities planned for this month! Both rooms have planned exciting activities to celebrate St. Patrick's Day and Easter.

THEMES

Room one has also planned to teach about primary colours and is planning a “crazy week” during Spring Break week.

Room two has planned Lego and science themes as well.

We will also be having a visit from Petland this month, which we are very excited about. The children always have such a special time interacting with the animals.

The Talk Box is now on display in the hallway outside the childcare centre. Please take some time to look at it and help yourselves to the materials provided. It is a really useful resource.

REMINDERS

Our summer forms are now available. We are filling up very quickly so if you would like your child to spend the summer with us please bring the forms in as soon as possible. We are looking forward to having a great summer with your children!

The childcare centre will be closed on March 21 for Good Friday and on March 24 for Easter Monday.
