

BIOGRAPHY OF CILF CALGARY INTERNATIONAL LANGUAGE FOUNDATION BOARD MEMBER CANDIDATES FOR NOVEMBER 2018 AGM

Biographies in order of receipt:

Lyle Guard

Lyle Guard has been a member of the Board of Directors of the Calgary International Language Foundation since January 2015. He obtained his Bachelor of Business Administration in 1998 from Trinity Western University, and his law degree in 2003 from Dalhousie University.

He is currently the Vice-President, Legal and General Counsel for Horizon North Logistics. Prior to that, his career highlights included serving as Assistant General Counsel for one of North America's leading pipeline and midstream energy companies, and working as an associate and then senior associate for a national law firm specializing in energy, corporate law, technology, and litigation.

Lyle has extensive experience as legal counsel with regard to energy, construction, and financial transactions, including offerings and equity financing, emissions trading, and mergers and acquisitions.

Lyle and his wife have one child enrolled in the Elementary Division at the Calgary French & International School.

Jim Zunti

Jim Zunti has been an active CFIS Society Board Director since 2010 and is completing his third term there. While serving eight years on the Society Board, Jim has chaired the Strategic Planning Committee where he has facilitated the development of two CFIS strategic plans. Jim has also served on the Building and Grounds Committee from 2014 to present, and is currently serving on the Finance and Audit Committee. In November of 2018, after the end of his term on the Society Board, Jim has an interest in offering his skills and experience to the Calgary International Language Foundation (CILF) Board.

Through his leadership and participation in the CFIS Society Board, Jim has developed a detailed understanding of CFIS, its community of students, educators and parents and the overall educational landscape which continues to change. Jim is known for his hard work and ability to make progress with complex issues. Jim is interested in serving on the CILF Board to assist in any way that he can to contribute to the vitality, flexibility, permanence, and fiscal responsibility of CFIS facilities and lands while meeting the broad and ongoing needs of CFIS programming.

Jim has more than 25 years of work experience in project management, engineering, and information management with some of Canada's largest energy infrastructure companies. Jim is currently a consultant acting as Program Manager, ITS Gas and Power, at AltaGas in Calgary. His work experience is supported by degrees in Electrical Engineering from the University of Saskatchewan and an MBA from the Ivey Business School at Western University.

Jim and his wife currently have two children attending CFIS, one in Elementary and one in Junior High.
